1. The following is an examiner's statement of reasons for allowance:

Regarding to claims 1, and 8-9, Ram ( US Patent 6,028,924 ), those Patent claims fail to teach, recites, and/or "separating said protocols into a first group of responses to corresponding first events, and a second group of responses to corresponding second events, wherein the first events occur frequently relative to said second events; storing at a communications user terminal which is external to but connected to a communications network via a communications channel, the first group of responses; storing at a store in or connected to the communications network, at least said second group of responses;" in claim 1, "the store is arranged to cooperate with the first terminal for handling conditions requiring a response within the set but not within the subset earlier stored at the first terminal" in claim 8; "a signaling port for connection to said telecommunications network via a signaling channel; and a store for storing data defining a core subset of said responses corresponding to a core subset of said events ", in claim 9.

2. Claims 1-18 are allowed.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
